

## Salish Seeds Project Seed for Sale

Updated August 2020

To purchase seed, contact Eliza Habegger at the San Juan County Land Bank ([elizah@sjclandbank.org](mailto:elizah@sjclandbank.org); 360-370-7653) regarding species and quantities desired. Don't hesitate to ask if you're looking for something that's not on the list below, need assistance planning your native plant project, or have any related questions. Seed of additional species will be available in the future - let us know what you're looking for.

**A additional \$5 per species processing fee applies to each species purchased.**

species	common name	approximate seeds per gram	% viability	price per gram	grams available
<i>Amsinckia menziesii</i>	common fiddleneck	460	95%	\$1.70	100
